## CTPL HotSpot Checkout Policy and User Agreement

The library is pleased to provide HotSpots to patrons for checkout.

To checkout a HotSpot, the ***patron must be a library card holder in good standing and over 18 years of age.***

Only 1 HotSpot may be checked out per patron at one time.

### The fine print:

1. Patrons are financially responsible for the device in their possession. When patrons sign for equipment they acknowledge that it is fully functioning, undamaged, and that all parts are included. If a patron does not inspect equipment at time of checkout they are responsible for all missing or damaged parts upon return.
2. Patrons are expected to return HotSpots directly to a library staff member in the same condition in which it was received immediately following their checkout. Staff will inspect the device carefully and call to your attention any suspected damage or missing parts. You must be present when equipment is returned.
3. Do not attempt repairs, adjustments or alterations of any kind, including operating system or security settings.
4. Internet content filtering IS provided. Do not attempt to disable filtering.
5. HotSpots must be kept in a temperature-controlled environment at all times. Do NOT leave in a car.
6. It is the responsibility of the patron to bring to the attention of staff any loss or possible damage to equipment that happens during the course of your equipment checkout period.
7. Only the library will make purchases of replacement equipment or parts.
8. If device is lost or damaged beyond repair patron will be responsible for replacement fees (\$175).
9. HotSpots may be checked out for 7 days. HotSpots may be renewed for 1 additional week if there are no reserves for the device.
10. Overdue HotSpots will be deactivated within 24 hours of due date.
